Restorative Approaches - Pupil Information

Cathays High School is a restorative community.

What are Restorative Approaches?

Restorative Approaches are a system of values to improve and strengthen relationships across a whole community, in this case Cathays High School. This allows us to learn, and to teach, these values and strategies to improve relationships that will have a positive and lasting impact on behaviour.

Restorative approaches are based on five values which will build respectful relationships across the school:

1. Everyone has a unique and equally valued view
2. Our thoughts influence our emotions; and our emotions influence our actions
3. We should have empathy and consideration for others
4. We have to identify what people need before deciding how to meet those needs
5. Everyone who is affected by a challenge should work together to problem-solve to overcome it.

Why have we chosen to do this?

There is lots of evidence from around the World, across the UK and within Cardiff, that adopting restorative approaches greatly improves the relationships involving pupils, staff and parents. It can increase the confidence and self-esteem of pupils and raise levels of attendance and punctuality. Schools that have been developing restorative approaches for two years or more report greater pupil and parent satisfaction with behaviour in schools.

How have we achieved this?

Over the last 3 years, staff have undergone extensive training in the skills necessary to implement restorative approaches.

Part of our focus this year will be to train groups of pupils to be restorative peer mediators and using PSE and Form Tutorials to develop restorative values across the school community.

The biggest impact that the development of Restorative Approaches will have is on everyday relationships and positive behaviour. The techniques we will be developing here will include:

- teachers and pupils modelling expected and positive behaviours as role models to others
- positively encouraging the use of appropriate behaviour and language.
- speaking to each other appropriately
- setting positive messages and targets for the day/ week/term for ourselves and others
- developing speaking and listening skills through the use of circle time in lessons and form tutorials

The role of all of our students will be crucial to developing restorative approaches this year. We hope you will decide to work with us to make Cathays High School an even better school community.

Restorative Approach

Theme 1: Unique and Equally Valued Perspectives

Having different, but respected, views on the same thing.

Theme 2: Thoughts Influence emotions and emotions influence subsequent actions

What am I thinking?
How am I feeling?

Theme 3: Empathy and consideration for others

How do I affect others?
How will they be feeling?

Theme 4: Identifying needs come before Identifying strategies to meet these needs

How am I feeling?
What can I do to feel better?

Theme 5: Trust and empowerment

How can we help each other to do better?

Year 10 - Key Stage 4

As you move into Year 10, you automatically join the Upper School or Key Stage 4 as it is also known. Associated with this key stage, which consists of Year 10 and 11, are some other changes which you will have to adapt to:

***Options:** all students have their own **individual timetable** which reflects their own option choices. Therefore you will need your own copy of **your** timetable in your planner with you at **all** times.

***Your GCSE courses start.** Some of the work you will be doing will count towards your final GCSE grades. This coursework needs to be taken very seriously indeed. (See the *Pale Green Section of this planner for more information.*)

*Up until the end of Year 9, your successes have been measured in levels or numbers. It is Year 10 in which it all changes to grades and letters. GCSE results look like this:

A*	}	You can get these grades by taking Higher Tier papers at the end of Year 11
A		
B		
C		
D		

C	}	You can get these grades by taking Foundation Tier papers at the end of Year 11
D		
E		
F		
G		

*Make sure you talk to your subjects teachers who will give you more information on the choices available to you.

*Your Head of Year will be Mrs. K. Taylor, and she is based in Room 43a.

External Examinations & BTEC Courses

During your GCSE course, you are required to work within the requirements of the Examination Boards. You will be issued with a **Notice to Candidates: Coursework and Portfolios** which explains the regulations concerning on-going work throughout the course.

During Year 11 you will be issued with a **Notice to Candidates: Examination Regulations** which explains the rules that have to be followed within the examination rooms.

Every pupil is expected to enter an examination for every subject that is on their timetable and the school will pay for these entries.

Should a pupil wish to sit any additional subjects, then they will be subject to the school policy relating to the payment for examinations.

There is also a policy document that explains the process of appeals regarding irregularities concerning coursework.

Should you wish to read either of these documents, then you should ask the *Examinations Officer*.

Tutor Periods and Assemblies

Each day (after second lesson) all pupils should make their way to their form rooms for a tutorial session.

Tutor periods are very busy times for you and your form tutor so make sure you get to your form room promptly.

The time will be used to:

- Carry out a moment of reflection as part of the daily act of worship
- Conduct an assembly
- Pass on important information to you
- Receive important information from you
- Check that you are in school uniform and have all you need with you
- Update your progress on the reward scheme
- Highlight any concerns about your behaviour, attendance and punctuality
- Discuss interesting issues and share ideas and opinions
- Get to know each other
- Carry out discussions and circle time

In addition, on two days of the week your form tutor will escort you to the Upper or Lower Hall for a whole year assembly.

With your form tutor, fill in this grid to show how your tutorials and whole year assemblies are organised:

<i>Diwrnod yr Wythnos</i>	Day of the Week	Upper Hall Assembly	Lower Hall Assembly
<i>Dydd Llun</i>	Monday	Year 7	Year 9

WHAT HAPPENS IF I DON'T WEAR SCHOOL UNIFORM?

If for any reason you come to school not properly dressed in school uniform you can expect to be questioned about it. You should always bring a note of explanation and you may:

- have items of clothing confiscated from you

Classroom Agreements

Good teaching and learning takes place when:

- *We arrive on time and greet each other with a smile
- *We all take pride in wearing full school uniform.
- *We all go to our seat in the class seating plan.
- *We all get out our pens and pencils.
- * We put away our headphones, smartphones and multimedia devices.
- * We listen actively throughout the lesson.
- * We all start our first activity straight away.
- *We all respect each other, equipment and enjoy the lesson.
- *We all reflect on what we have learnt.

Well done, we have all worked hard!

Homework

Completing homework well and on time is an important part of your education at Cathays High School. If you fail to complete and hand in any homework that has been set for you, you will get a **reflection**.

To make sure this doesn't happen, follow this advice:

*Make sure you record the date when it has to be handed in.

*Check that you understand exactly what you have to do and, if in doubt, ask the teacher.

*Consult your planner every night as soon as you get home so you're clear about everything you have to do that evening.

*Whenever possible, do your homework on the day it is set and before you go out or get involved in other things.

*Try to find a quiet place to do your homework - not in front of the TV.

Take your time and do not rush.

Good homework can gain you a Commendation.

Remember that you can do your homework in the Learning Resource Centre, before school, after school and at lunch time.

Further details of the type of homework you can expect in each subject is included for your information. Please read it carefully

Attendance/ Presenoldeb

Attending school is a legal requirement. Permission for absence, other than for illness, can only be given by the Headteacher.

If you are away from school for any reason ask your parents to let the school know by *telephoning* on the day. When you return to school your parents **must** send a letter **or** fill in the form in the blue section of this planner explaining your absence. **This is necessary even if the school has been informed by telephone.**

If you are going to be away from school for a long time because of a prolonged illness, a **medical certificate** should be sent to the school.

Remember:

Attendance of less than 97% in any school term/year is unacceptable because it seriously damages your educational chances.

3 days absent in any half term means your attendance will be less than 90%.

3 weeks absent in each year is the same as missing a whole term by the time you leave school.

Whenever the school is concerned about your attendance, **your parents will be contacted** and may be asked to attend the school to discuss the issue. **The Education Welfare Officer** will become involved and could decide to prosecute if there is no good reason for your absences.

If you achieve **100% ATTENDANCE** and **EXCELLENT PUNCTUALITY** for a half term, you will gain a **CERTIFICATE AND 4 COMMENDATIONS.**

Lateness to School

Periods 1 and 4 will be the official registration periods. It is essential that you get your marks in every lesson.

The first five minutes of every morning and afternoon is registration and it is essential that you attend your form room to get your attendance mark at that time.

The school gates will be shut at the start of morning and afternoon school and pupils arriving late will enter through the **Late Entry Door** on New Zealand Road.

All such pupils will:

- a) Be given a '**Late to School**' slip which they should present to their class teacher;
- b) Be expected to attend a 20 minutes reflection in Room 5, during the lunchtime following the lateness.

Are you Worried, Confused, Upset or need to be listened to Confidentially?

Email: Counselling@Cathays.Cardiff.Sch.uk

Or Search for "**Counselling**" in contacts.

We will reply and offer you a chance to talk2 someone confidentially.

LATENESS **TO LESSONS**

LATENESS TO LESSONS WILL NOT BE TOLERATED. ALL PUPILS SHOULD ARRIVE IN THEIR NEXT LESSONS WITHIN 5 MINUTES OF THE BELL BY FOLLOWING THESE SIMPLE RULES:

1. At change of lessons you must go directly to your next lesson. You should not visit the loo; try to find another teacher or pupil; go in search of a lost item or anything else that delays your arrival at your next class.

*2. If you do have a good reason for doing something else, the **only** person who can give you permission is your class teacher. To say that your Head of Year or another teacher asked you to see them is not enough unless you carry a note with that request.*

3. If your teacher keeps you behind at the change of lesson, always ask for a note explaining your lateness that can be given to the teacher of your next lesson.

4. If you take more than 5 minutes arriving at your next lesson you will be asked to produce a note. Failure to do so will be referred to your Form Tutor and Head of Year.

5. Do not ask to leave a lesson to go to the toilet unless you have a medical problem and are carrying a card to confirm this. Requests for cards should be made to your Head of Year.

Key Stage 4 Lunch Time Arrangements

LUNCH TIME: 12.10pm-1.10pm

Year 10 and 11 may use the Upper School Canteen and the Baguette Bar from **12.25pm**.

Year 10 and 11 free school meals passes will be issued from the Upper School Canteen from **12.25pm** onwards.

PLEASE DO NOT ENTER EITHER BUILDING BEFORE THIS TIME.

Year 10 are no longer allowed out of school premises at lunchtime.

You are expected to be outside your classroom, **before** the bell rings at **1.10pm**.

- *Having an exceptional attendance record

Using the Learning Resource Centre

The Learning Resource Centre is there to help you in a number of ways. There are a large number of fiction and non-fiction books; 21 computers with internet access and other sources of information like magazines; audio and video tapes. You can use these facilities to:

- Find something interesting to read. There really is something to suit everyone.
- Find information you need for your studies.
- Give you somewhere comfortable and well equipped to complete homework.

Opening times: 8.10am - 4.10pm

The Learning Resource Centre is staffed throughout the day by **Mrs Barrett** and **Mrs Burnett**. During the lunchtime they are also supported by Sixth Form Library Assistants.

During lesson time you can visit the LRC with your class teacher to find information and carry out other research tasks.

You can also visit the centre before and after school as well as at lunchtime.

Booking a computer

At lunchtime, computers are available on a **First come - First served** basis. You can use the computers for producing homework, for research using the Internet, and for some games.

Borrowing books

You will be issued with a library barcode to stick in your planner and use when you wish to borrow a book. You can borrow both fiction and non-fiction books for two weeks at a time.

Some common sense rules:

Do not eat or drink in the LRC

Do not disturb the work of others by making lots of noise

We want you to make the most of this facility. If there are other books and other resources you would like to help your learning let Mrs Barrett and Mrs Burnett know. They will do their best to get them for you.

Clubs and Other Opportunities

At Cathays High School we provide many opportunities for pupils to extend their studies and interests with regular clubs and activities before school, at lunch time and after school. Government research has shown that taking part in these sorts of activities can help you do better in school.

What is provided?

There are a wide variety of activities - sports clubs, revision clubs for different subjects, homework clubs, leisure activities e.g. dance, chess, digital photography, Duke of Edinburgh Award. The school's Learning Resource Centre is open every morning from 8:10 am & after school between 3.10-4.10pm for Internet and computer access.

The community language programme offers GCSE + 'A'-Level courses in a range of languages including Arabic, Persian + Urdu every term.

How can I find out what is on?

A timetable is provided to put into your planner.

This lists the weekly activities for your year group. There are quite a lot of 'one off' activities that happen throughout the year. You should also keep your eye on the study support notice boards outside the lower hall in CALCELLA and by the Learning Resource Centre as well as the plasma screens in the lower corridors & lower hall.

Can pupils suggest activities?

Yes. Speak to your form council representative, your form teacher, your Head of Year, community learning co-ordinator or 5x60 sports officer. We will do our best to provide activities for which there is sufficient interest.

Learn to Play an Instrument Come on - it's Fun!

In school you can learn to play almost any instrument. Come and see Mrs Morgan if you're interested.

Keyboard, Violin, Guitar, Flute, Drums, Sing....

You can then create your own band! You can have lessons with your friends from teachers outside of Cathays. They come in to teach every week. You could even join our 'Rock School'. Auditions will be held early September. Keep your eyes open for more information.

There is a cost to the lessons. It is approximately **£45** unless your family receives income support.

If you are interested see your Music Teacher.

Cathays Against Bullying / Cathays yn erbyn bwllian

At Cathays we believe that pupils have the right to learn in a supportive, caring and safe environment.

Don't Suffer Bullying

IT'S GOOD TO TALK.

TELL

- A teacher
- Your Form Tutor
- Your Head of Year
- A mentor in the Peer Support Service
- A member of staff you can trust
- A friend who can speak on your behalf
- Your parents or carers who can talk to your Head of Year

VISIT

- The Peer Support room situated in the yard
- Open everyday at break and lunch times
- Speak to the Mentors.

REPORT

- Report any incidents of bullying or other concerns you may have to ensure you get the support you need.

IT'S YOUR RIGHT.

WHAT IS BULLYING?

Bullying is a matter of concern to all staff at Cathays High School. Bullying is when people deliberately hurt, harass or intimidate someone else. These are all incidents of bullying:

*Being called names
Being teased
Being punched, pushed or hit
Being forced to hand over money, mobiles or other possessions
Getting abusive text messages or emails
Having rumours spread about you
Being ignored or left out
Being attacked because of religion, gender, sexuality, disability, appearance, ethnicity or race*

WHAT SHOULD I DO IF I AM BEING BULLIED?

*You should not feel ashamed. It is not your fault.
Tell a teacher, Head of Year, a mentor in the Peer Support Service, the Pastoral Mentor, or tell a friend who can speak up for you to a teacher.
Write a note and put it in the 'Information box' in Pupil Reception.*

WHAT WILL HAPPEN IF I TELL?

*You will be interviewed in private and the teacher/mentor will write things down on a Bullying Report form.
All the facts will be gathered and an investigation into the bullying will take place.
Depending on the outcome of the investigation the teacher in charge will take appropriate action to make sure the bullying stops.
You can stop worrying as you know it is being dealt with.*

WHAT HAPPENS IF I WITNESS BULLYING?

If you witness bullying you should not ignore it and think it will go away. You can be part of the solution and help stop bullying by reporting what you have witnessed in private to a member of the Pastoral Team or you can go to the Peer Support mentors and they will pass the information on to appropriate staff.

WHAT HAPPENS IF YOU ARE THE BULLY?

You can ask for help from the Pastoral Team. A bully usually has their own set of problems that need to be sorted and you can get the correct help if you realise what you are doing is wrong. You will face consequences and you need to take responsibility for what you have done. Ultimately we want you to stop and will give you all the help and support you need to make sure you do stop.

WHO ARE THE PASTORAL TEAM?

Form Tutors, Heads of Year, Heads of School, Pastoral Assistants and Pastoral Supervisors and the Mentors in the Peer Support Room can also offer support.

Where else can I get Help?

SCHOOL COUNCIL

The school wants to encourage pupils to participate in all aspects of school life. For that purpose we have a school council. The School Council is made up of two representatives from every year group, the Head of School Pupil Development and the Community Education Coordinator. It will meet 6 times a year.

HOW TO GET YOUR VIEWS HEARD:

You will have a **form council** meeting 2 weeks before the full school council. Make your views known to your form representative.

A week later your **Year Council** will meet to discuss the issues raised by all classes in the year group. The Year representatives will take forward issues to the full school council.

The following week the full school council meets. It can suggest and give opinions on various matters that can be considered by the head, the Governors and/or the Schools Senior Management Board.

IF YOU WANT TO TAKE PART IN THE SCHOOL COUNCIL

Elections will be held early in the autumn term. If you would like to represent your form or year group put your name forward.
